Afterschool Childcare Program Professional Development Schedule

The Afterschool Childcare Programs are provided through agreements with schools and licensed childcare providers approved by the District. These programs provide a safe place for children to go afterschool where they can receive services that enhance students' social and educational growth and development. These programs operate Monday – Friday, from 2:30 pm – 6:00 pm and are located at all of the District's 28 elementary schools, and one middle school (Southeast Middle School). A weekly fee is charged to parents for these services.
